Dear Sir/Madam,

Bury Council's Accelerated Land & Property Disposals Programme – Bevis Green Land Disposal (Humber Drive/Walmersley Old Road)

Thank you for sending in your objection to the public open space advertising in relation to the above potential disposal.

As a result of the public open space advertising process, the Council has received numerous objections to the disposal of the land referred to as Bevis Green. The objections to the disposal have been considered and it is therefore being recommended that this asset is withdrawn from the disposals programme. This recommendation will be taken to Cabinet in March 2022 for approval.

All objections whether received via e-mail or in writing via the post have been taken into account.

Your ward councillors have been informed of the recommendation.

Yours Sincerely
